HCHD Board of Managers honors Foundation tourney

Accepting a ceremonial check for \$60,000 raised at the 11th annual Harris County Hospital District Foundation Golf Tournament is Mary Spinks, Chair of the HCHD Board of Managers. Tournament chair Ransome Shirley and other committee members presented the check to the board during its May 27 meeting. More than 140 hospital district supporters participated in the event held last October at Northgate Country Club. The tournament is the Foundation's biggest annual fundraiser. Money from the tournament is earmarked for HCHD's mobile health program. Matt Musil, KHOU-TV (Channel 11) sports anchor, hosted a celebrity golf challenge that included sport and television personalities.
