Hospital District's Troubleshooters Program Offers Affordable Immunizations

HOUSTON (Sept. 29, 2006) – Does your child need immunizations? Troubleshooters, Harris County Hospital District's mobile immunization outreach program, might be visiting your area offering affordable immunizations.

Immunizations are \$3 per qualified child, ages two months to 18 years old. Qualifications include children who have no insurance, children on CHIP or Medicaid, or children who are underinsured. A parent must be present with a shot record.

Immunizations include: DTaP (diphtheria/tetanus/pertussis), Tdap (tetanus/diphtheria/pertussis-adolescent preparation), DT (diphtheria/tetanus), Td (tetanus/diphtheria), IPV (inactivated polio), hepatitis A and B, Hib, varicella (chicken pox), prevnar (PCV7), MMR (measles/mumps/rubella), pediarix (hepatitis B/DTaP/polio), MMRV (MMR/varicella), and MCV4 (meningococcal meningitis). Influenza (flu) shots are also provided during flu season (October – December) for seniors, adults, and children who fall into high-risk categories. All vaccines are given based on availability.
