The Harris County Hospital District is the public health care system for the nation's third most-populous county. It provides more than 1.1 million health care visits each year to uninsured and underinsured residents of Harris County. The hospital district operates Ben Taub General Hospital, Lyndon B. Johnson General Hospital, Quentin Mease Community Hospital, 12 community health centers, a dental center, eight school-based clinics, 13 homeless shelter clinics and four mobile health units.
